

DIGTA FOOT CONTROL 540 USB

ERGONOMIC USB FOOT CONTROL

MADE IN GERMANY

Digta Foot Control 540 USB

The Digta Foot Control 540 USB represents durable and ergonomically shaped hardware quality. Connected to the digital transcription station it controls the software DigtaSoft via USB connection.

According to the position of the switch at the bottom, the right pedal locks in electronically and the start function remains activated till the pedal is activated again, or the pedal must be kept pressed.

NOTE

It's not possible to use a Digta Foot Control 540 USB and a Digta Soundbox 830 simultaneously on the same PC, eg for use of a Swingphone.
