

DIGINOTICE

MOBILITY, STYLE AND CREATIVITY

Diginotice

*For digital speech processing in everyday life:
Record your thoughts – manage information.*

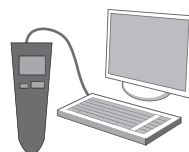

The Diginotice dictation machine combines professional technology with modern looks. Diginotice is the ideal companion, whether at work or play, and on the go - it's a high tech note taker, memory stick, and music player, all in one.

- Digital speech recording in MP3 format with variable microphone sensitivity and sound quality
- Dictation related time stamp function
- Playback of MP3 and WMA files
- Automatically controlled recording or voice activation (VA)
- Illuminated LCD display
- 2 GB memory, up to 140 hours recording in 6 directories
- USB interface
