SIMPLY PROFESSIONAL DICTATION

Digta SonicMic II Classic

The clear cut-line

MADE IN GERMANY

USB dictation microphone elegantly shaped, slim and ergonomic

You select the dictation software and concentrate on your words whilst ignoring your PC. With the Digta SonicMic II Classic all recording and playback functions are comfortably matching into the palm of your hand.

- Extra wide, comfortable slide switch for easy onehanded operation
- Tension of slide switch individually adjustable
- Ergonomic design with microphone stand
- Integrated sound card and dynamic speakers make for optimum recording and play-back quality

- DSSPro Recording for best sound quality (with software DigtaSoft)
- All button functions are individually programmable with three functions (by means of the software)
- Easy integration into backoffice systems via open interfaces (SDK)
- DSSMover for automatic dictation transfer
