

## DigtaSoft license activation

Thank you for choosing a DigtaSoft software update. To activate the product, please complete the following steps:

### 1. On-line activation

- a. Install the purchased version of DigtaSoft. During the first time the software is started, the "activation code" window will open.

- b. Enter the 18-digit serial number into the "serial number" field.
  - i. You will find the serial number either in your order confirmation e-mail or on the license sheet included to the DVD cover.
  - ii. Please make sure that you **don't enter** any serial number of a dictation device!
  - iii. Leave the "activation code" field empty!
- c. Click on the "activate" button.

DigtaSoft will now contact the licensing server and check the purchased license.

The screenshot shows the 'Online Licensing' registration form on the Grundig Business Systems website. The form includes input fields for Company, First name, Surname, E-Mail, and Serial Number. The Serial Number field is pre-filled with '035336100700169170'. There is a checkbox for 'I want to be informed about updates and new products.' and a 'Register now!' button. A note at the bottom states 'All required fields are marked with \*'. To the right, there is a 'Any questions?' section with contact information: 'Contact our support' and 'E-Mail: support@grundig-gbs.com'. The word 'Impression' is visible at the bottom left of the page.

- d. Enter the requested data into the form and click the "Register now!" button.
- e. A window will appear showing that the registration was successful. Here you can also register further serial numbers.

The screenshot shows the success message after registration. The text reads: 'Registration has already been successfully completed. Thank you for your time! You can now activate your product. Please re-press the "Activate" button in the product licensing window. You may now close this browser window.' Below this, there is a link: 'Please click here to register for other serial numbers'. The 'Any questions?' section on the right remains the same as in the previous screenshot. The word 'Impression' is visible at the bottom left of the page.

- f. Shut the browser and click the "Activate" button in the "Activation Code" window once again.
