

# TeamViewer – Support

## Instructions for participants

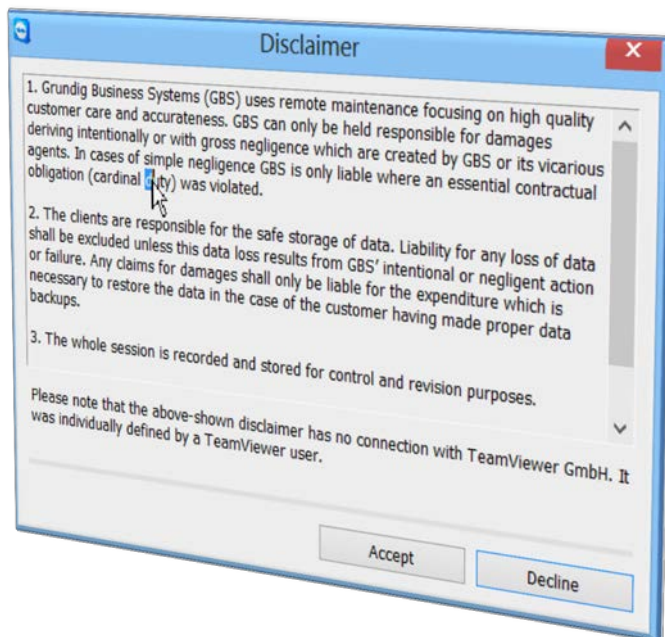

1. Open your browser and go to <http://www.grundig-gbs.com/en/support-downloads/>

2. Click on the symbol TeamViewer

3. Depending the browser you use, you can **Execute** or **Save** the file TeamViewer\_QS\_en.exe. Choose **Execute**. If you choose **Save**, execute the saved file from the place you saved it.

- 4. The disclaimer appears. Click **Accept** to get support or **Decline**, if you are non ok with the disclaimer.
- 5. After a few seconds your ID and password appears. Tell your Grundig Partner the ID and password to start the session.
